

AUSTRALIA: BUILD YOUR OWN HOLIDAY

Where to begin in Australia? Each of the seven states has its own unique delights and character; New South Wales is home to cosmopolitan Sydney and the spectacular Blue Mountains; Queensland presents the Great Barrier Reef and the stunning Whitsundays; Victoria houses charming Melbourne and the famous Great Ocean Road, an ideal self-drive route; South Victoria features must-see areas such as Kangaroo Island and the Barossa Valley, an excellent wine region; Tasmania's landscapes are outstandingly beautiful with mountains, waterfalls, forests and coasts to explore; Western Australia is home to friendly Perth and the dolphins of Monkey Mia; and in the Northern Territory you'll find the stunning rock formations and the monolith which is Ayers Rock, not to forget Kakadu National Park in the north.

Tailor-make your perfect holiday and be sure to see as much of this excitingly diverse
