

Middle & Far East Tour + Cruise Holidays

Exquisite scenery, friendly people and fascinating culture - for a really special, completely rewarding destination, there's nowhere better than the Middle East. With a fascinating heritage to explore, you will truly feel that you are abroad, no matter where you visit. Couples and families alike will find activities that will create lasting memories, such as desert dune-bashing, camel riding and haggling in local markets. Year-round sunshine and miles of lovely beaches entice, as do luxury hotels, modern developments.

The Middle East isn't all about modernity, though - it's a rewarding place in which to spend your holiday, thanks to the legendary hospitality of its people, and its thousands of years of intriguing history. Or, should you wish to travel further east, you'll find that Asia is a continent of contrasts, a fascinating blend of the ancient and the new. Each country has its own unique character, creating a dilemma for visitors - which areas should be on their Asia must-see list? The neon lights of Singapore's pristine modern metropolis. Malaysia's extraordinary buildings and mist-shrouded mountains. China's pandas and terracotta warriors. There's so much to see and do in this wonderful area of the world. Thailand is a gentler introduction for many - from Bangkok's bustling streets to the beaches of Phuket, you'll discover why this is a country that travellers visit again and again. A visit to Vietnam will find you falling for its many charms - the air of French colonialism in Hanoi's tree lined boulevards, the energy of Ho Chi Minh City, its vibrant southern cousin, the ancient coastal town of Hoi An and the spectacular vistas of the Mekong Delta. Tourism to Cambodia increases every year, thanks to its many temples, serene atmosphere and relatively undiscovered coast with white-sand beaches, while India is home to ancient cultural sites, the breathtaking Taj Mahal, regal palaces, and bustling streets. A rich blend of the old and the ultra-new, Japan is a fascinating destination, from the bright lights of Tokyo to the temples of Kyoto and from the bullet train to the snow-capped tip of Mount Fuji. There's so much to see and do in this wonderful area of the world. A Far East holiday really is a feast for the senses - strange languages, exotic cuisine, and startlingly stunning landscapes.
