

# Tailor-made tours of the USA

Truly the land of holiday opportunity, the USA offers up a host of options that will suit all ages and all types of travellers. Urban centres such as New York, Boston and Chicago have everything for a memorable holiday on tap – a wide selection of eateries, bars, shops and activities that will make the hours pass like minutes. Manhattan’s towering skyline, Boston’s revolutionary historic gems, Chicago’s city beach – each surprises and delights in its own way.

Try California and Florida for tourist hotspots featuring sun-drenched beaches and theme parks, explore the Deep South for its food and history, ski till you drop in Colorado and hit Las Vegas if bright lights and bustling entertainment hubs make the ideal escape for you. In many ways, man can’t compete with nature’s treasures, and nowhere is this more apparent than the majestic Grand Canyon, or the luscious tropical forests of Hawaii. The chiselled faces of Mount Rushmore and the sweeping prairies of Oklahoma are just two examples of the USA’s diversity.
